Section 26 (3) (i).

8. Notice of date of payment.—The proprietor shall display, in a conspicuous place at or near the main entrance of the factory, a notice, in English and in the language of the majority of the persons employed therein, giving the day and date on which wages are to be paid.

Section 26 (3) (ii), (3) and (3).

9. Prescribed authority.—The Chief Inspector of Factories shall be the authority competent to approve, under sub-section (1) of section 5, rules and conditions in respect of which fees may be imposed and, under sub-section (5) of section 5, the persons on which the proceeds of fees shall be expended.

10. Application in respect of fees.—Every employer requiring the power to impose fees in respect of any rules and conditions on the part of employed persons shall send to the Chief Inspector of Factories:—

(a) a list, in English, in duplicate, clearly defining such rules and conditions;

(b) in cases where the employer himself does not intend to lay the rules before a prescribed authority, a list, in duplicate, showing those appointments in his factory of which the members may pass orders imposing fees and the class of establishment in which the payment of such fees is compulsory.

11. Approval of list of rules and conditions.—The authority appointed under rule 9 on receipt of the list presented in the preceding rule may, after such enquiry as he considers necessary, pass orders thereon.

12. Approving the list.

(a) Approving the list either in its original form or as amended by him, in which case such list shall be considered to be approved list, provided that no order imposing any fee, or any other rule shall be passed unless the employer shall have been given an opportunity of showing cause orally or in writing why the list as submitted by him should be approved.

(b) Finding of list.—The employer shall display at or near the main entrance of his factory a copy in English, together with a literal translation thereof, in the language of the majority of the persons employed therein, of the list approved under rule 11.

13. Penalties.—(1) Any person who may be imposed by any person other than an employer, or a person holding an appointment issued in a list submitted under rule 12:—

(2) Penalties in imposing fines and deductions.—Any person desiring to impose a fine on an employed person or to make a deduction for damage or loss shall require previously to the said person the act as specified in Section 10, in respect of which the fine or deduction is proposed to be imposed and the amount of the fine or deduction, which it is proposed to impose, and shall have his explanation in the presence of at least one other person.

(3) Information to proprietors.—The person imposing a fine or deducting the amount of a deduction for damage or loss shall at once inform the proprietor of all particulars, in that the register prescribed in Rule 4 or item 4 may be duly completed.

Section 26 (3) (ii).

10. Deduction for breach of contract.—(1) No deduction for breach of contract shall be made from the wages of an employed person who is under the age of fifteen years or is a woman.

(2) No deduction for breach of contract shall be made from the wages of any employed person unless:—

(a) there is provision in writing fixing part of the terms of the contract of employment respecting him to give notice of the termination of his employment; and

(b) the period of the notice does not exceed fifteen days or the wages period, whichever is less; and

(c) the period of the notice does not exceed the period of notice which the employer is required to give of the termination of that employment;

(3) This rule has been displayed in English and in the language of the majority of the majority of persons at or near the main entrance of the factory and has been so displayed for not less than one month before the commencement of the clause in respect of which the deduction is made;

(4) a notice has been displayed at or near the main entrance of the factory giving the names of the persons from whom the deduction is proposed to be made, the number of days' wages to be deducted and the reasons (if any) as which the deduction will be required;

Provided that where the deduction is proposed to be made from all the persons employed in any department or sections of the factory, it shall be sufficient, in lieu of giving the names of the persons in such department or sections, to specify the departments or sections affected.

(5) No deduction for breach of contract shall exceed the wages of the person employed for the period by which the notice of termination of service gives less than the period of such notice required by the contract of employment.

(6) If any conditions have been specified in the notice displayed under clause (c) of sub-rule (2), no deduction for breach of contract shall be made from any person who has complied with those conditions.

Section 26 (3) (iii).

11. Advance.—(1) An advance of wages not already earned shall not, without the previous permission of an Inspector, exceed an amount equivalent to the wages earned by the employed person during the preceding two calendar months, or if he has not been employed for that period, twice the wages he is likely to earn during the two subsequent calendar months.

(2) The advance may be imposed in instalments by deductions from wages earned over and more than twelve months. No instalment shall exceed one-third, or when the wages for any wage-period are not paid that twice wages, whichever is the less, of the wages for the wage-period in respect of which the deduction is made.

(3) The amounts of all advances sanctioned and the payments thereof shall be entered in a register in Form III.

Section 26 (3) (iv).

12. Annual Return.—In respect of every factory in which during the calendar year any fine has been imposed or any deduction for breach of contract or for damage or loss has been made:

sanitary measures applied to the aircraft) and also, if the case so requires, steps preventing the infection of any communicable diseases in the local area during the previous 30 days.

2. The officer in charge of an aerodrome may on the advice of the Health Officer prohibit the disembarking in any aircraft of any person with symptoms of communicable disease except in the case of the travellers of such persons by aircraft specially adapted for the purpose.

3. In the absence of a Health Officer the officer in charge of an aerodrome may delay the disembarking of such persons until the advice of a doctor has been obtained.

4. If the Commander of an aircraft wishes to disembark a sick person he shall, so far as he is able, notify the officer in charge of the aerodrome of arrival in good time before landing.

5. The Health Officer may order the landing from any aircraft of any person who in his opinion shows symptoms of or is suffering from any communicable disease not mentioned in Rule 2 (b) of these rules.

After landing such person shall remain on board to prevent the spread of infectious disease on land in the area in which the aerodrome is situated shall be applied.

ARTICLE II.

These provisions shall be in force in certain districts.

1. Rules in Section III are applicable to the districts mentioned in Rule 2 (a), i.e., Upper, Central, Lower Coast, Tynes and Senghar.

Measures in aerodrome.

1. The measures to be applied on the departure of aircraft from a local area infected by any of the diseases mentioned in this section are the following:—

(1) Thorough cleaning of the aircraft especially the parts liable to be contaminated.

(2) Medical inspection of passengers and crew.

(3) Examination of any person showing symptoms of one of the diseases mentioned, as well as persons in such close contact with the sick as to render them liable to transmit the infection of these diseases.

(4) Inspection of personal effects which shall only be accepted if in a satisfactory state of disinfection.

(5) In the case of plague, disinfection of those in any room to suspect the presence of rats on board.

(6) In the case of typhus, disinfection, limited to persons who after medical inspection are considered as likely to convey infection and to their effects and disinfection of those in any room to suspect the presence of rats on board.

The aircraft's papers shall be completed in accordance with the requirements of rule 2.

Measures on arrival.

12. Subject to the provision of rule 11, aircraft, even when coming from a local area infected by any of the diseases in which this section applies, other than plague, typhus, and cholera, are not subject to the measures applicable to such aerodromes. The only measures applicable at such aerodromes are the medical inspection of passengers and crew and the landing and unloading of cargo.

Passengers and crew must not move beyond the limits prescribed by the aerodrome authority except with the permission of the Health Officer of the aerodrome.

These restrictions may continue to be imposed on the aircraft at each landing place until it arrives at a sanitary aerodrome, where it will be liable to the measures laid down in this section.

In the case of Yellow Fever, all such aircraft shall land only at the Kereke aerodrome.

13. Notwithstanding anything contained in rule 12 the Governor-General in Council may by special rules in this behalf, require aircraft arriving from aerodromes liable to land in aerodromes subject to sanitary measures as prescribed in such special rules.

14. Should an aircraft, on entering India, land elsewhere than at an aerodrome or sanitary aerodrome, the Commandant of the aircraft shall, if the aircraft comes from an infected local area or is itself infected, notify the nearest local authorities of such landing and the latter shall take such measures as are appropriate to the circumstances and shall, if possible, arrange for the aircraft to be landed at a sanitary aerodrome. No such aircraft shall be unloaded and no passengers or articles of the crew shall leave the vicinity of the aircraft without the permission of the Competent Sanitary Authority.

Special measures applicable in the case of Plague, Cholera, Typhus, Dysentery and Yellow Fever.

14. Plague.

15. In the case of aircraft arriving from a plague infected local area, the Indian Air Commission shall, if they find and have a case of plague on board, be applied:—

(1) Medical inspection of passengers and crew.

(2) Disinfection and disinsection of aircraft, cargo and passengers on board if an aerodrome where these operations are considered necessary, with due regard to rule 31.

(3) The crew and passengers may be subjected to surveillance for a period not exceeding ten days from the date on which the aircraft left the infected local area.

16. In the case of aircraft on which there is a suspected or suspected or suspected case of plague, the following measures shall apply:—

(1) Medical inspection.

(2) The sick shall be immediately disinfected and isolated.

(3) All persons who have been in contact with the sick and those whom the Health Officer has reason to consider exposed, shall be subject to surveillance for a period not exceeding ten days from the date of arrival of aircraft.

(4) Personal effects, baggage and any other articles which in the opinion of the Health Officer are infected, shall be disinfected and, if necessary, disinsected.

(5) Any parts of the aircraft which are suspected of being infected shall be disinfected.

(6) The Health Officer may carry out disinsection as required in cases, if there is any reason to suspect the presence of rats on board with due regard to rule 2.

17. If the Health Officer considers that effects, such as articles coming from an area infected with plague are harbour rats or that such effects, such as bags may only be discharged on condition that the necessary precautions are taken, as ordered by the Health Officer.

(5) Cholera.

18. In the case of aircraft coming from a cholera infected area the following measures shall, if there has not been a case of cholera on board, be applied:—

(1) Medical inspection of passengers and crew.

(2) Surveillance of passengers and crew for a period not exceeding five days from the date on which the aircraft left the infected local area.

19. In the case of an aircraft having on board during the voyage a case of cholera presenting clinical signs of cholera the following measures shall be applied:—

(1) Medical inspection.

(2) The sick shall be immediately disinfected and isolated.

(3) The crew and passengers shall be kept under surveillance during a period not exceeding five days from the date of arrival of the aircraft.

(4) Personal effects, baggage and all other articles which in the opinion of the Health Officer are infected, shall be disinfected.

(5) The parts of the aircraft which have been occupied by the sick or which are suspected as likely to have been infected shall be disinfected.

(6) Where the drinking water on board is suspected, it shall be disinfected, and, if possible, replaced and replaced by boiled water after the conclusion of the recovery and its conclusion.

(7) Any person arriving by aircraft who wishes to remain in the country shall be subject to such treatment or hospitalization arrangements, or other measures or obligations as are imposed in this respect on the individuals in the local area.

20. The Health Officer may, at his discretion, exempt from surveillance under clause (7) of rule 19 or clause (5) of rule 18 any person who presents evidence to his satisfaction that he has been vaccinated against cholera not more than ten months and not less than ten days before the date of arrival.

21. The unloading of fresh fish, shellfish, fruit and vegetables from the aircraft coming from a local area infected with cholera may be prohibited. Any of these articles may be developed if considered necessary by the Health Officer.

40) Typhus.

22 In the case of aircraft coming from a Typhus infected area but where there has not been a case of Typhus on board, the sanitary measures other than as prescribed in rule 27 may be applied for persons who have been 10 days left that area before the date of arrival having a case of Typhus on board the following measures shall be applied:

(1) Medical inspection.

(2) The sick shall be immediately disinfected and isolated and treated.

(3) Any person suspected of harbouring Typhus or having been exposed to infection shall also be detained, and, may be subjected to measures not exceeding 21 days effected from the date of detection.

(4) Letters, personal effects and other articles which the Health Officer considers to be infected shall be disinfected.

(5) The parts of the aircraft which have been occupied by persons suffering from Typhus and which the Health Officer considers to be infected shall be disinfected.

(6) Disinfection if there is any reason to suspect the presence of rats on board.

41) Diphtheria.

23 (a) In the case of an aircraft coming from a diphtheria infected local area but not having on board a case of diphtheria, the measures to which persons and crew who have left that area less than 14 days before the date of arrival of the aircraft and who are considered satisfactorily diseased may be subjected without prejudice to the terms of rule 25, to vaccination or surveillance or release, may be followed by surveillance the period of which shall not exceed 14 days from the date of arrival of the aircraft.

(b) In the case of aircraft having a case of diphtheria on board, the following measures shall be applied:—

(1) Medical inspection.

(2) The sick shall be immediately disinfected and isolated.

(3) Other persons and crew may be subjected to the measures contained in paragraph (a) of this rule when the Health Officer considers that they are not satisfactorily diseased.

(4) Letters, personal effects and other articles which the Health Officer considers to be contaminated shall be disinfected.

(5) The parts of the aircraft which have been occupied by persons suffering from diphtheria and which the Health Officer regards to be contaminated shall be disinfected.

(6) For the purposes of this rule persons shall be considered immune:—

(i) if they can produce proof of an attack of diphtheria within the past 7 years; or

(ii) if they can prove by the satisfaction of the Health Officer that they have been vaccinated not more than 3 years and not less than 12 days prior to the date of arrival; or

(3) they have had signs of early, convalescent reaction signifying an adequate immunity.

42) Special measures applicable in the case of

24. An aircraft which has come from a local area outside India infected with yellow fever and which has alighted in such local area other than in an anti-malarial zone shall also have:

(1) In the case of aircraft coming from a yellow fever infected area and not coming from an anti-malarial zone the following measures shall be taken in addition to any other measures prescribed by these rules:—

(a) Inspection of aircraft and cargo to ensure that they do not carry or contain any mosquitoes.

(b) Disinfection of the aircraft and cargo.

(c) Medical examination of passengers and crew to ascertain that they are free from symptoms of yellow fever.

25 Where a person is suspected to be suffering from yellow fever or where it has not been established to the satisfaction of the Health Officer that a person has completed a period of 5 days since possible exposure to infection of yellow fever, such person may be subjected to observation, either within the precincts of the quarantine or elsewhere under conditions approved by the Health Officer for a period not exceeding 5 days reckoned from the day on which such person could have been infected.

GENERAL

General Health.

27. Persons who arrive in a vessel and who have been exposed to one of infection by one of the diseases specified in rule 2 (3) of these rules and who, any within the period of incubation, may be subjected to the measures in rules 20, 21 and 22 be subjected to surveillance until the termination of that period in the case of violence or the termination of the period of rules 20 and 21 relating to quarantined persons apply equally to persons under this rule.

28. Whenever in these rules surveillance is ordered such surveillance may be replaced by observation:—

(a) where it is not possible to carry out surveillance with sufficient thoroughness; or

(b) if the person who would be subject to surveillance cannot furnish adequate satisfactory guarantee.

Persons under observation or surveillance shall submit themselves to any examination which the Health Officer may consider necessary.

29. Persons who are ordered to be in quarantine, are considered liable to surveillance up to the expiration of the period of incubation of any of the diseases mentioned in rule 2 (3) except yellow fever, may nevertheless continue the voyage on condition that the fact is notified to the satisfaction of the Health Officer by the person in charge of the vessel either by means of an entry in the journey-log-book or by some other method sufficient to ensure that they can be subjected to medical inspection at any subsequent arrival in the country.

30. Any person who is liable to observation may be a person who is liable to be a person of being suspected of or having been exposed to the risk of infection by yellow fever, may at the discretion of the Health Officer be authorized to continue the voyage under the supervision of the person in charge of the vessel specified in rule 2 (3) provided that the approval of the sanitary authorities at the place of his destination is first obtained.

31. In applying sanitary measures to an aircraft coming from an infected local area, the Health Officer shall, to the greatest possible extent, take account of all measures which have already been applied to the aircraft in another sanitary zone, and shall also take account of all measures which have already been applied to the aircraft in another sanitary zone, and shall also take account of all measures which have already been applied to the aircraft in another sanitary zone.

32. Aircraft having been an infected local area which have already been subjected to satisfactory sanitary measures whether in India or another country shall not be subjected to these measures a second time, applicable to subsequent incidents has occurred which calls for the application of the sanitary measures in question, and that the aircraft has not been at an infected zone since it was last in India.

33. The sanitary authority applying sanitary measures shall, whenever possible, furnish free of charge to the commander of the aircraft, or any other interested person, a certificate specifying the nature of the measures, the methods employed, the parts of the aircraft treated, and the reasons why the measures have been applied.

34. The authority shall also issue, on demand and without charge, the passengers arriving by an aircraft in which a case of any of the infectious diseases referred to in rule 2 (3) has occurred, a certificate showing the date of their arrival and the measures to which they and their luggage have been subjected.

35. None of the provisions of these rules, except those which are stated to be subject to any other provisions, shall apply to an aircraft which has been subjected to any of the measures prescribed by the provisions of these rules in the case of such diseases referred to in these rules.

36. Subject to the provisions of Rules 24, 25 and 26 of these rules and particularly those of rule 25 (b) an aircraft which does not wish to arrive at the station prescribed by the provisions of these rules may, at the discretion of the Health Officer, be allowed to alight at any other place, and may, at the discretion of the Health Officer, be allowed to continue its voyage.

37. An aircraft shall be permitted to land goods on condition that it is subject to the measures to which it is subjected to such measures as may be prescribed by the Health Officer in conformity with these rules.

38. Aircraft shall also be permitted to disembark passengers at their request, as provided that

LATE NOTIFICATION.

PUBLIC DEPARTMENT.
(Elections.)

PRESS COMMUNIQUE.

Port St. George, September 1, 1936 [G.O. No. 1473, Public (Elections)].

No. 35.—

The preliminary electoral rolls for the special constituencies of the new Madras Legislative Assembly, namely—

- (1) Landholders' constituencies;
- (2) the University constituency;
- (3) Commerce, Industry and Planting constituencies;
- (4) Labour constituencies, both trade union and non-union; and
- (5) the Backward Areas and Tribes constituency

will be published not later than the 15th September 1936.

Claims and objections must be filed not later than the 30th September 1936.

2. Forms of claims and notices of objection for constituencies Nos. (1) to (4) may be obtained free on application from the registration officer concerned.—

For Landholders' constituencies—Collector of the District.

For the University constituency—Registrar of Universities.

For Commerce and Industry constituencies—Collector of Madras.

For the Planting constituency—Collector of the Nilgiris.

Labour constituencies—The Commissioner of Labour and Rural Uplift and Factory Inspectors.

The Backward Areas and Tribes constituency—The Revenue Divisional Officer or the Assistant Government Agent.

For the landholders' constituencies the forms in question may also be obtained from Tahsildars and Deputy Tahsildars.

Under the rules, claims and objections in these cases may be presented to the Registration Officer in person or by agent or sent by post. A claim or objection sent by post which does not reach the proper authority on or before the due date will be summarily rejected, unless there is evidence to show that it was posted at such a time as would ordinarily have permitted its reaching the authority on the due date.

3. In the case of the Backward Areas and Tribes constituency, claims and objections may be preferred to the Registration Officer, i.e., the Revenue Divisional Officer or the Assistant Agent concerned, either orally or in writing; no special form has been prescribed for the purpose; but when a claim or objection is preferred in writing, its acceptance will be subject to the conditions mentioned in the preceding paragraph.

G. T. DOUG,
Acting Chief Secretary.

No. 102.—

The following draft of certain rules for the election.

47.
(a) Aldermen;
(b) Mayor and Deputy Mayor;
(c) members of standing committees, and
(d) members of standing committees,

which the Governor acting with Ministers proposes to make in exercise of the powers conferred by section 25 of the *Municipal Elections Act 1925* (Newfoundland Act No. 22 of 1925), as amended by *Municipal Act No. 2 of 1928*, and in pursuance of all previous rules on the subject, is hereby published for general information.

Makes a hereby gives that the draft will be further promulgated with effect on receipt from the date of publication of this publication and (b) any election or nomination which may be proposed with respect thereto, inform the copy of the present document will be furnished by the Minister acting with Ministers.

1.

These rules for the election of aldermen.

1. Every candidate for election as an alderman, shall be presented to the meeting and accepted by a majority of the members of the meeting for the purpose. The person shall, when proposed the name of any candidate, deliver to the Mayor or to his clerk in the Mayor's office and in the absence of both the Mayor and the Deputy Mayor, to the presiding councillor, a declaration in writing, expressing the candidate's willingness to stand for election as an alderman, signed by the candidate and by the proposer. The names of all the candidates who have been proposed and accepted shall be read out by the Mayor, the Deputy Mayor or the presiding councillor, as the case may be.

2. If the number of candidates whose names are so read out is equal to the number of vacancies, the Mayor, the Deputy Mayor or the presiding councillor, as the case may be, shall declare all such candidates duly elected.

3. If the number of such candidates is less than the number of vacancies, the Mayor, the Deputy Mayor or the presiding councillor, as the case may be, shall declare all such candidates duly elected and shall order call for such nominations as to elect the election in all of the remaining vacancies or vacancies to the next meeting of the Council.

4. If the number of such candidates exceeds the number of vacancies, the votes of the councillors present at the meeting shall be taken by ballot. The Commissioner shall make adequate arrangements to secure the privacy of the ballot.

5. Every councillor wishing to vote shall be supplied with a voting paper on which the names of all such candidates shall be typed or hand-written in the following form:—

Name. Vote.
()
()
()

The councillor shall then proceed to the place set apart for the purpose and there place a mark expressing the name of the candidate or the names of the candidates for whom he votes to vote. He shall then fold up the voting paper so as to conceal his vote and deposit the same in a ballot box placed at the side of the Mayor, the Deputy Mayor, or the presiding councillor, as the case may be. The ballot shall be so constructed that the names of the candidates may be read, signed by the Mayor, the Deputy Mayor or the presiding councillor, as the case may be, shall state open the box and count the votes in the presence of the Mayor, the Deputy Mayor or the presiding councillor, as the case may be.

6. The candidate who obtains the largest number of votes, or if there is more than one candidate, in any of the candidates of the type of the poll as

there are vacancies to be filled, shall be declared as having been duly elected. It shall be an equality of votes between any two or more candidates and the addition of one vote to any one or more of such candidates will make the sum of that to be declared duly elected. In case the Mayor, the Deputy Mayor or the presiding councillor, as the case may be, shall decide by drawing lots in the presence of the councillors, in which case or more of such candidates each additional vote shall be given to that candidate.

7. Any voting paper which contains the signature or marking of any of the voters and contains or which contains any other mark, shall be rejected, and there are no returns to be filed, shall be rejected.

II.

These rules for the election of the Mayor or the Deputy Mayor of the Council.

1. Every candidate for election as Mayor or Deputy Mayor shall be presented by one councillor or alderman and accepted by a majority of the members of the meeting held for the purpose. The names of all the candidates proposed and accepted shall be read out by the Mayor or to his clerk in the Mayor's office or to the Mayor, the Deputy Mayor, or the presiding councillor, as the case may be, at the election at both the Mayor and the Deputy Mayor, by the presiding councillor or alderman, as the case may be, and the names of all the candidates shall then be taken by ballot. The Commissioner shall make adequate arrangements for securing the privacy of the ballot.

2. Every councillor or alderman wishing to vote shall be supplied with a voting paper on which the names of all the candidates shall be printed, typed, or hand-written in the following form:—

Name. Vote.
()
()
()

Each councillor or alderman shall then proceed to the place set apart for the purpose and there place a mark expressing the name of the candidate for whom he votes to vote. He shall then fold up the voting paper so as to conceal his vote and deposit the same in a ballot box. The ballot shall be so constructed that the voting paper may be read, signed by the Mayor, the Deputy Mayor, or the presiding councillor, as the case may be, shall then open the box and count the votes in the presence of the councillor and alderman and declare the result of the election.

3. If there is only one duly nominated candidate or if there is more than one, shall be considered to have been elected provided that the majority carried by a majority of the Council at the next meeting. If at such meeting is passed, a fresh election shall be held forthwith in accordance with these rules.

4. If there are two candidates the one who receives the larger number of votes shall be declared to have been elected. If there is an equality of votes between the two candidates, the Mayor, the Deputy Mayor or the presiding councillor or alderman, as the case may be, shall then draw lots in the presence of the Mayor and the person whose name is then drawn shall be declared to have been elected.

5. If there are more than two candidates, the one who obtains the greatest number of votes shall be declared and the votes taken again. If there is an equality of votes among all the candidates or if two or more candidates, as the case may be, obtained an equal number of votes, a ballot shall be taken in order to decide which of them shall be considered. If at such ballot there is an equality of votes, a further ballot shall be taken, and if this further ballot is also indecisive, the Mayor, the Deputy Mayor or the presiding councillor or alderman, as the case may be, shall then draw lots in the presence of the councillor and alderman and the person whose name is then drawn shall be declared to have been elected. The election shall be repeated until two candidates only are left, where votes shall be taken for the last vote and the candidate who receives the larger number of votes shall be declared to have been elected. If there is an equality of votes at this final stage, between the two remaining candidates, the Mayor, the Deputy Mayor or the presiding councillor or alderman, as the case may be, shall draw lots in the presence of the councillor and the person whose name is first drawn shall be declared to have been elected.
